

Mark D. Green Excellence in Education Scholarship Program

Purpose: The **Mark D. Green Excellence in Education Scholarship** was established during the 2000-2001 school year to encourage students to pursue a higher education. A scholarship of \$250.00 will be awarded to a CHRS graduating senior. The recipient must be eligible to attend an accredited institution of higher education.

Selection: The selection shall be based upon the student's academic standing, attitude, leadership, perseverance, and character. The student must be seeking a degree at an accredited institution. It is hoped, but not required, that the student pursue a career in health care or teaching.

A scholarship recipient and an alternate will be selected. If the recipient fails to meet all the qualifications of the scholarship, the scholarship will be awarded to the alternate provided the alternate meets all requirements.

Payment: The award will be paid directly to the student after the student has successfully completed the first semester of the freshman year and registered for the second semester. Proof of grades and registration must be presented in person to **Mitchell's Park Street Pharmacy** during the Spring semester of their Freshman year.
